

Pennsylvania Skeet Shooting Association

2011 Traveling Ten Award

Started in 2004 and sponsored by Leer Electric, this award was established to acknowledge and reward those shooters who take the time and make the effort to shoot (100) registered targets at a minimum of (10) PSSA Clubs. A bit of dedication and willingness to travel is all that is required on your part, and all of our Clubs will welcome new shooters from "out of town", especially those trying to accomplish this remarkable objective. For a list of all PSSA Clubs throwing registered targets, go to www.pssa.com.

To be eligible for this award and recognition, please complete this form at the end of the season and mail to Steve Hildebrand, 107 Westview Dr., Akron, PA 17501 or fax to 717-859-5940 or e-mail to steveh@ptd.net
Good luck, travel safe, and enjoy the new experiences.
