### Why choose a Bed and Breakfast

Other lodging spots are unsurprisingly familiar, the good and the bland, the safe and sane, similar and unimaginative. However, each Bed and Breakfast offers the reward of a "singular experience". We stand together, but we stand on our own. Each Bed and Breakfast is novel and distinct, dedicated and imaginative...and family oriented. So when you choose a Bed and Breakfast you choose a sure thing. Give us a stay.

The Bed and Breakfasts listed above have agreed to support the PSSA members and guests by offering a 15% discount for a three-night stay only. Each location offers a full breakfast in the nightly rate. In addition, most offer evening refreshments as well.
